

INVITATION

You are invited to a three-hour seminar that will take you inside the world of the drug-dealer.

You will learn how workplace drug-dealers operate and how to stop them.

PART ONE - IDENTIFICATION

Our experts will show you how drugs are sold and ways to identify drug-dealers in your workplace.

PART TWO - THE EX-ADDICT

A former drug addict will give a first-hand account of drug addiction including their drug use at work.

You will gain insights into drug-dealing in the workplace and the cost to your business.

PART THREE - THE UNDERCOVER

A long-term undercover agent will talk about his experiences catching workplace drug dealers during commercial deployments.

PART FOUR - SOLUTIONS

The session will finish with practical advice and solutions to enable you to reap the benefits.

BENEFITS TO YOU

Effectively deal with drug issues in your business
Reduce lost person-hours by 85.5%
Save 25% of each users income in increased productivity
Decrease medical costs of users by 8 times
Decrease sick days taken by up to 46.9%

EMPLOYERS HAVE REPORTED SAVINGS OF \$3700.00 PER YEAR FOR EACH EMPLOYEE ENROLLED IN AN EAP.

DRUGSCENE

PRESENTERS

The team has extensive knowledge and experience in identifying problems and providing practical, long term solutions to business and institutions in New Zealand.

CAM STOKES

Cam is the Investigations Manager for Warden Consulting and heads our undercover programme. He also runs education programmes in businesses and schools. Cam is a former detective sergeant who spent 18 years in the police (1985 to 2003). He worked on the Auckland Drug Squad, the Organised Crime Unit and the Motorcycle Gang Unit. Cam was the first person in New Zealand to give expert evidence about 'P'.

MIKE SIMMONS

Mike undertakes specialist investigations for Warden Consulting and leads our Specialist Search Team. Mike has first hand experience of running undercover assignments in the corporate sector. Mike is a former detective who spent 19 years in the police (1987 to 2006) working as a drug specialist in both metropolitan and rural areas. Mike worked on the Organised Crime Unit and the Motorcycle Gang Unit.

MARK VAN LEEWARDEN

Mark is the owner of Warden Consulting. As a Barrister, former detective and undercover agent Mark has developed drug and alcohol policies and solutions for some of New Zealand's top corporates.
